# About us

Established in 2012 in Bangalore, India, We offer a comprehensive range of professional services under one roof.

The firm's expertise spans across Accounting, Statutory and Internal Audits, Tax Audits, Direct Tax Representation, and Management Consultancy services, among others.

With a commitment to delivering high-quality solutions, the firm caters to the diverse needs of its clients across various industries.

# OUR Mission and Vision

## Mission

To be a premier professional services firm, recognized for empowering clients through knowledge-driven solutions and fostering sustainable growth and success.

## Vision

To deliver excellence in end-to-end professional services, combining technical expertise, innovation, and integrity to create lasting value for our clients and stakeholders.

# Founder

**CA Akshay G Mehta**  
**B. com, ACA**

The founder of Akshay Mehta & Co. is a qualified Chartered Accountant and a Commerce graduate with over a decade of professional experience. He established the firm in 2012, leveraging his expertise in Direct Taxation, Assurance Services, and corporate accounting.

His professional journey includes significant roles with renowned firms such as:

- Paresh S Shah & Co. (merged with Dhariwal & Sreenivas), specializing in direct taxation.
- Walker Chandok & Co. (Grant Thornton), as part of the Audit & Assurance department.

An accomplished academic, he is a reputed faculty member in Economics at prestigious institutions, including ICAI, and the author of a book on Microeconomics. He also actively represents clients before revenue authorities, tribunals, and courts, in collaboration with a prominent legal expert, for complex direct tax matters.

# Audit services

- **Statutory Audit**

Examining financial statements to ensure compliance with legal and regulatory standards, verifying the accuracy and fairness of the reports.

- **Tax Audit**

Verifying the tax returns for compliance with tax laws, ensuring accurate reporting of income, expenses, and tax liabilities.

- **Financial Audit**

We assess financial statements to confirm their accuracy and adherence to accounting standards, providing a reliable financial overview.

Precision

Integrity

Transparency
